

15TH ERPB TECHNICAL SESSION ON DIGITAL EURO

11 February 2025 from 14:00 to 16:00h CET

Remote, Microsoft Teams

AGENDA

1	Introductory remarks by the Chair
2	Summary of feedback on work on methodology for holding limit calibration The ECB will provide an overview of the feedback and contributions from market stakeholders received in response to the written consultation launched during the 14 th ERPB technical session. <i>Presenter: ECB</i>
3	Update on user research The ECB will provide an update on the work that will be performed in the next months on user research. Also, the ECB will describe the expected findings from the workstreams. <i>NB: This is an information point; no feedback is asked from ERPB participants.</i> <i>Presenter: ECB</i>
4	Technical market trials and user testing for the digital euro The ECB will outline the high-level approach for the technical market trials and user testing for the digital euro. Participants will be invited to give feedback on the open questions provided in the presentation. <i>ERPB stakeholder representatives will be invited to share their feedback on the questions reported. Therefore, a written procedure will follow the meeting to collect stakeholder associations' views (deadline for written procedure: 11 March).</i> <i>Presenter: ECB</i>
5	AOB and closing remarks by the Chair
